

Questionnaire for Math 4657.

1. Your NAME and class year. Please write the first name the way you want me to address you.

2. List all the college-level algebra classes you have taken. If you have taken MATH 4651 and/or MATH 4652, also list your instructor for that course. If you are taking MATH 4651 this fall, indicate this as well.

3. What is (are) your major(s)? If not chosen, indicate your current plan.

4. We will likely have an (optional) problem session that would meet some time on Fridays between 11am and 3pm. Indicate your availability during this period.
