

## Questionnaire for Math 5657, due by Monday, Aug 16.

1. Your NAME and class year. Please write the first name the way you want me to address you.

2. List all the college-level algebra classes you have taken. If you plan to take MATH 4651 in Fall 21, indicate this as well.

3. What is (are) your major(s)? If not chosen, indicate your current plan.

4. What is your main reason for taking this course? Are there any particular topics/techniques you really want to learn in this course?
